## PROFESSIONAL SUMMARY

As an IT student, I possess a range of skills that will enable me to excel in an OJT program. I am highly proficient in document-based work, including using Microsoft Word, PowerPoint to create, edit, and format documents, and presentations. I have a strong attention to detail, which allows me to ensure that my work is accurate, error-free, and of high quality. I also have some knowledge of front-end programming. I have a basic understanding of HTML, CSS, and Php, and I am comfortable working with web development tools such as Visual Studio Code. Experienced in manipulating and enhancing different forms of media, such as graphics, videos, audio, and text. I am passionate about technology and am committed to staying up-to-date with the latest trends and developments in the field. Overall, I am a highly motivated and dedicated individual with a strong work ethic and a commitment to excellence. I am eager to contribute my skills and knowledge and to learn as much as possible from the experience.
